

**Richmond Security Inc. continued its annual sponsorship of the CJW Medical Center Golf Tournament to Benefit the American Heart Association on October 5, 2017**

Richmond, VA (Nov 1, 2017) - More than 60 golfers were on hand for the CJW Medical Center Golf Tournament at Providence Golf Course on October 5, 2017. All profits for the charity golf event go directly to the American Heart Association. Richmond Security Inc. will be seen throughout the par-71 Providence 4 ½ star course as the premier sponsor of the beverage cart.

Heart disease and stroke are the number one cause of death in Virginia. The American Heart Association is building healthier lives by educating the community on healthy behaviors, advocating for key health issues, training thousands in CPR, partnering with healthcare providers on the latest advancements, and funding critical research in our state.

Richmond Security celebrates 41 years in business this year, having served Central Virginia since 1976. From modest beginnings, it has grown into one of the largest physical security providers and full-service locksmiths in the Richmond area. In addition to highly-trained technicians and customer service professionals, they offer electronic access control, video surveillance, safes, and patented key control. They serve a myriad of markets including health care, manufacturing, education, retail, and residential.
